

Bonus Policy

Bit24 offers its customers a permanent bonus program: the amount of bonuses is accrued in proportion to the amount deposited to the escrow account, and also depending on the trader account type. Amount Bonus is credited to your trading account to the amount of the deposit and after it is received is subject to mandatory testing.

The working size is as follows:

- When depositing the amount to the deposit account, which allows you to receive bonus of 50% of the deposit account, the bonus must be fulfilled 40 times.
- When depositing the amount to the deposit account, which allows you to receive bonus of 51% to 100% of the deposit account, the bonus must be worked 50 times.
- When depositing the amount to the deposit account, which allows you to receive bonus of from 101% to 200% of the deposit account, the bonus must be worked 60 times.

Before the bonus is credited, its size is approved by the administration and financial department of the company.

The client has the right to apply for withdrawal of funds at any time, even if the amount of bonus is not reached. However, in this case, or in the case, when the client asks to close the account, the bonus and received with the help of a bonus

The profits will be canceled and the bonus amount will be deducted from the amount deposit account. Thus, the client will be able to use only that

The amount that will remain on his deposit account after deduction unused bonus.

Bit24 customers can use the bonus policy in

lawful procedure, in accordance with the terms of the client agreement. If

Bit24 under any circumstances suspects the customer of

violation of the rules of trade or fraud, the company reserves the right

Bonuses, promotions and privileges that were or should be

provided to the client.

The company also reserves the right to close the trader's account in the event

suspicion of any form of abuse of the rules of trade, dishonest

trade or suspicion of attempts to legalize the proceeds of crime by way of.
