14.1. You agree that the information about your Trading Account and Trade confirmations are available on the website on the Internet, and are not delivered you by email or regular mail. You can view information about the account through the Trading Platform using its Account Details. We will publish all information about the activity on your account. You can generate daily, monthly and annual activity reports accounts, as well as a report on each transaction completed. Updated information on account will be available no later than 24 hours after any activity on your trading account. Publication of account information in your online account is considered equivalent to the delivery of confirmations and account statements. In all cases, information about the account will include, but not limited to ,confirmation of transactions with the numbers of purchases and bets, Margin, available amounts for trading, statements of income and losses, as well as open and waiting for confirmation by the Positions. You can withdraw at any time Closing the Trading Account in accordance with this Client Agreement.

15. General rules of trade.

15.1. All orders placed by you will be transferred for execution to the other party (the Liquidity Provider), so that we will not fulfill your Orders as a counterparty in Transactions against you.

15.2. You acknowledge and agree that each performed in Trading platform The transaction, including the placement of an Order, consists of, First, your offer to us to make a Transaction (whether on opening

or closing of the Transaction) at a certain price specified in the Trading platform, and, secondly, our subsequent agreement with your proposal. Transaction will be considered completed only after receipt and acceptance your offer. Acceptance of our proposal shows our confirmation of its terms and completion.

15.3. We are not obliged, although we can, at our discretion, accept, execute or cancel Transactions, in whole or in part, and also offer on them quotes, when you request Transactions through the Trading Platform, not giving no explanation. You can request to cancel or change the transaction is at any time before it is completed by us.

15.4. We reserve the right to cancel any Transaction with the very beginning, if it contains any blatant error or is based on it. We will not be liable to you for any loss, claims that you incur as a result of any apparent error, unless fraud or willful misconduct on our part.

15.5. You acknowledge that all prices and quotes indicated on the Trading platform are purely informational in nature. Real market prices at the usual market volume and constantly are changing. The Company provides Quotes based on the price of the Underlying Asset, but this does not mean that the data quotes have a specific percentage attitude to the price of the Underlying Asset. When the relevant Core Market closed, the Company's Quotations will reflect that the Company considers the current price of the buyer and the seller's price for the corresponding the underlying asset at the moment.

15.6. You agree to abide by all the restrictions that we from time to time we will notify you, in relation to your the trading platform, including, but not limited to, the size of Transactions and other conditions applicable to your quotation. You acknowledge that different users, we can offer different conditions and restrictions in part use of the Trading Platform and require their execution.

15.7. You acknowledge that the Trading Platform is independent of any Basic markets and we do not have to offer a certain price or follow the rules of bidding adopted in such Basic markets. You also recognize that the triggering of your Transaction is related to the prices quoted for Trading platform, rather than the corresponding underlying markets. In order to determine ,whether the prices offered in the Trading Platform are equal or exceeding the price that was accepted by us in the Transaction, we have the right (but not the obligation) in its absolute discretion reject any prices offered by us before, during and after the auction session in the relevant Core markets, during any intraday and other period of delay in the relevant Core Markets or during any period, which, we believe on reasonable grounds, may lead to short-term course jumps and other deviations. Our prices can vary with respect to the current in the relevant Core markets, and you acknowledge that the Transaction may be executed even though:

(a) The underlying market has never traded at the level of your Transaction;

(b) The underlying market was traded at the level of your Transaction, but such a short period of time that the execution of an equivalent transaction on the Baseline markets is impractical.

15.8. When you complete the Transaction on the Trading Platform, you agree that you do not deal with the stock exchange.

15.9. You acknowledge that any prices quoted on the Trading Platform, we have set ourselves taking into account a number of factors, such as current market conditions and trading demand on the Trading platform. You agree not to use the prices, given on the Trading Platform, for no purpose other than its own trade, and do not transfer our prices to others in commercial and any other purposes.

15.10. You acknowledge that each Transaction is for a certain number of units of the Underlying Asset. The volume of each Transaction per the trading platform must be at least the minimum value specified

on the Trading Platform as "Unit Value", should be a multiple of this value, but not more than the maximum value permitted on the Trading platform.

15.11. Each Transaction that you open and complete is mandatory for execution even if you have used up all of the Transactions credits and limits available to you in working with us.

15.12. According to paragraph 15.15, you can request a quotation for the opening or closing a Transaction on a specific Underlying Asset at any time in the during the Exchange session for this Underlying Asset. We are not obliged, but to our absolute discretion, we can provide a quotation and accept your offer to open or close a Transaction on the Underlying Asset outside the Exchange session of this Underlying Asset. In some cases Transactions may be traded only at the time when the Basic the market on which this underlying asset is traded. Exchange session is displayed in the Trading Platform under the details link for each the underlying asset. You must make sure that you understand which Basic Asset can be affected.

15.13. Without diminishing our other rights under this Agreement, if before accepting your offer to open or close a Transaction, we learn that one of the factors mentioned in paragraph 15.14 is not met, we reserve the right to reject your offer completely. If, the However, we have already opened or closed the Transaction before receiving information about non-observance of any of the factor of paragraph 15.14, we can discretion or treat such Transaction as canceled initially, or close it at the prevailing price at that time.

However, we can, in our sole discretion, allow you to open either Close the Transaction, which will lead to your This transaction, even though the factors in paragraph 15.14 are not observed.

15.14. The factors referred to in paragraph 15.13 include following:

- (a) the quotation must be received through the Trading Platform or another way, which we can tell you from time to time;
- (b) at the time of your proposal to open or close a Transaction the quotation must be valid;
- (c) the quotation shall not contain a clear error;
- (d) when you propose to make a Transaction, the number of units in the Transaction shall be no less than the minimum value of the unit specified in the Trading Platform for a given tool, according to the criteria applied from time to time, and no more permissible value under the terms of this Agreement;
- (e) when you propose to close part of an open Transaction, but not its in whole, then that part of the Transaction that you are proposing to close, and that part, which will remain open if we accept your proposal, should not be less than the minimum value of the unit specified in Trading platform;
- (f) with your offer to open or close a Transaction Force majeure should take place;
- (g) there should not be a fact of Default in relation to you. obligations;
- (h) when you offer to open any Transaction, opening a Transaction should not lead to an excess of your initial margin, margin support, credit or other restriction imposed on your transactions;
- (i) according to paragraph 15.12, your proposal should be delivered to us during the Exchange session of the relevant Underlying Asset, in relation to which you propose to open or close the Transaction;
- (j) there is no violation of the Internet connection or connection;
- (k) no requests from supervisory authorities or judicial orders;
- (l) there is no doubt as to the legality or authenticity of the order;

(m) there are normal market conditions;

(n) any other reasonable factor about which we can notify you from time to time in its sole discretion.

15.15. If, before we accepted your offer of opening or Closing Transactions, our quotes are shifted to the favorable for you (for example, the price goes down when you buy, or up, when sell), you agree with what we can (but do not have to) transfer to you this is a price advantage. As a result of such an operation, the level at which you offer to open or close the Transaction and on which we accept proposal, will be shifted to a more favorable price. You acknowledge that in your best interests will be that we change the level of your proposals as described in this paragraph, and agree that any the proposal, as amended in accordance with this paragraph, if adopted we result in a commitment between us. Without infringement of all above, you acknowledge that we independently decide when we will transfer the price advantage to you. You should also remember that the transfer of price advantage is carried out only within the permissible limits.

15.16. It is strictly forbidden to use any robots, spiders and other automatic data entry systems when working on the platform. All Transactions must be completed by you manually. Any Transaction completed with similar automatic input systems data, will be recognized as null and void. In violation of the conditions of this paragraph 15.16, we can immediately close all your accounts of any kind, open with us, terminate Customer Agreements without notify you of all subsequent Transactions. In addition, all the funds on your trading account will be frozen, and we will be entitled to write off from your Trading account any amount to cover any losses and The costs incurred by you as a result of violation of the terms of this paragraph. All remaining funds of your trading account will be returned to you in agreement with this Customer Agreement.

15.17. The company is not required to monitor the status of any Transactions Customer, give advice on them or close any open positions customer, unless the Agreement clearly requires otherwise. If the Company decides this do it, it will be done on an independent basis and will not cause subsequent obligations. The Client's duty is to maintain own awareness of their positions at any given time.

15.18. Payouts are dividends. Your trading account can be changed to the amount of the dividend that we calculated or write-off relating to any of the Basic assets. If you hold a Long position, we will refill your the trading account is a dividend multiplied by a long value. If you keep short position, we will write off your trading account for the amount of dividend multiplied by a short amount.

15.19. Our policy is to close any open position of the client in the market in accordance with your instructions, designated in the Order.

15.20. Insolvency. If the Crypto-currency, which is Transaction object loses its paying capacity, all your open Transactions of this Base asset are closed. The closing date will be the date the onset of loss of solvency.

15.21 Trade Abuse. If the Company has grounds Suspect the Client of trading abuses, including but not limited to these, pip hunting, scalping, arbitration, manipulation or combinations of fast and slow quotes, it can, at its own discretion, time and without written notice to take one or more following measures:

(a) the immediate termination of this Agreement without preliminary notification of the Client;

(b) the cancellation of any Open Position;

(c) temporary or permanent prohibition of access to the Trading Platform or disabling of any functions of the Trading platform;

(d) prohibiting or rejecting the transfer or execution of any Order Customer

(e) restriction of the Client's trading activity;

(f) in case of fraud, return the funds to the beneficial owner or execution of instructions of law enforcement agencies of the country concerned;

(g) cancellation or return of profits received through trading abuse or use of artificial intelligence in the Client account;

(h) filing a legal action to recover any damages incurred Company.

15.22. The Company will make all reasonable efforts to execution of the Order, however, the parties understand and agree that, despite for reasonable efforts of the Company, transfer and execution may not be possible for reasons beyond the control of the Company.

16. Our right to compulsory closure.

16.1. If the prices quoted on the Trading Platform change so that the total difference paid to you in accordance with all Open Transactions, equal to or greater than the total support Margin for of all such Transactions, or the amount on your Trading Account is equal to or less overall support Margin for all your open Transactions, or we receive a refund from the issuer of your bank card or operator other method of payment, regardless of the reason, then you acknowledge that we have the right, at our own discretion, to immediately close any of your open Transaction, loss-making or profitable, and liquidate your trading account without prior notice The result of our the right to forcefully close your Transactions will not be blocked your account or this Agreement, unless we send you notification of a lock.

16.2. Notwithstanding the foregoing, if the prices quoted in the Trading platform, move against the price of your Transaction, we can without any obligations on our part to require you to increase your trading account for a short time to cover differences and (or) compliance with the terms of the Support Margin on an open Transaction. If you do not meet the requirement to increase the amount of funds during the the time prescribed by us, we may, at our sole discretion close any of your open Transactions, profitable or unprofitable, and Eliminate your trading account to cover the difference at your expense. You must constantly monitor the volume of funds placed on the Trading Account corresponded to all the margin conditions of the trade decisions you make.

16.3. On the Trading platform, we can specify the deadlines and the dates for various Base assets traded on the Trading platform. If on the trading platform for the Base asset is the deadline, you give us the right to close any open Transaction in respect of such Underlying Asset At the price given in the Trading Platform for such a time.

16.4. You acknowledge that the sale of certain Underlying Assets to the trading platform can very quickly and unexpectedly become volatile. AT the high risk of volatile trading Underlying assets you acknowledge and agree that we are entitled without notice to close any Open Transaction in respect of any Underlying Asset, which we at our own discretion we consider volatile, at the price given in Trading platform at the moment.

17. Force Majeure.

17.1. We can, at our own discretion, determine the fact presence of force majeure. Force majeure are, not limited to, the following events:

(a) any incident and event (including, but not limited to, military actions, riots, acts of civil disobedience, terrorist acts, war, strike, decisions of state and interstate bodies), which, from our point of view, hinders us to maintain the orderly state of the market with which we work Trading platform;

(b) the delay or closure of any Base Market, the abolition or liquidation of any Underlying Asset on which it is based or associated our quotation, or the occurrence of restrictions or unusual conditions trade in any of these markets or any such event;

(c) excessive movement of the level of any transaction and (or) the underlying market (within reasonable limits) or our expectation of such a movement;

(d) any violation in the transmission of data, communications and computer systems, power failure, failure of electronic and communication equipment;

(e) failure to fulfill its obligations by any supplier, Financial institution, broker, agent or manager of the Company, depository, sub-depository, dealer, basic market, clearing house for any cause.

17.2. If we decide that there was a Force Majeure circumstance, we at our sole discretion, at any time and without notice take the following steps:

(a) change your Margin Conditions, as a result of which you will need provide additional Margin;

(b) close any open Transaction at a closing price that we consider it appropriate on reasonable grounds;

(c) freeze or modify the Agreement in whole or in part so that as a result of the onset of Force Majeure losses for all parties were minimal;

(d) change the time of the Exchange session for a certain Transaction.

17.3. You agree that in the case of Force Majeure We shall not be liable to you or any other persons for our actions under paragraph 17.2, if we decide to do them. Parties will are exempt from all liability for partial or complete non-fulfillment obligations under this Agreement, as well as for their improper Execution, if it was the result of Force Majeure, After the conclusion of the Client Agreement.

18. Margin conditions and Margin requirements.

18.1. To open a Transaction on the Underlying Asset, you agree provide the Initial Margin in your Trading Account. For supporting Transactions open, you undertake to ensure that the balance of funds for Your Trading account exceeded the Support Margin. You acknowledge that for of each Underlying Asset, the Margin is different and may vary from time in our sole discretion. Replenishment of the Trading Account may be effected by a non-cash transfer or other means bank account or other location according to our notices, which we can from time to time send. Based on the amount of funds for your trading account, we reserve the right to limit the amount and the total number of open Transactions that you can open or maintain on the Trading account. You understand that on different types of Trading accounts offered by us from time to time, there may be different Margin conditions.

18.2. You guarantee that you understand the principle of calculation correctly Margin conditions.

18.3. Except for Force Majeure, the Company has the right to amend the Margin Conditions by sending to the Client a Preliminary notice for five (5) business days. New positions will be applied to new Margin conditions. In case of force majeure circumstances, the Company has the right to change the Margin Conditions without notifying the Client. In this case the company has the right to apply to new or already open positions new Margin conditions. All changes will take effect on the Platform and (or) the Website, and the Customer is obliged to check for updates. He must constantly monitor the volume means on your Trading account to meet the Margin requirements under this Agreement and, if necessary, additional margin requirements.

18.4. You know and admit that we can on our own

discretion to require you to take certain actions in your

Trading account associated with Margin requirements. Margin Requirement

can be based on a number of factors, including, but not limited to, your general position, amount of your account, number of open Transactions, volume transactions, transaction history and market conditions.

18.5. The company is not obliged to present Margin requirements to the Client, however, if it does so or if the Trading Platform achievement of a certain Margin percentage threshold on the Trading Account, Customer must take one of the following three steps to resolve situation:

(a) restrict (close) their trades;

(b) insure their positions (open counter positions in relation to to open at the moment) and reevaluate the situation;

(c) enter more funds into the Trading Account.

18.6. If Margin conditions are not fulfilled at any time or you can not make a Margin payment by the appointed time of your open positions can be forcibly closed without prior notice.

18.7. The margin must be paid in cash in the Currency Customer account.

18.8. The client undertakes not to create and not have the Margin transferred to the Company, and agree to transfer such debt.

18.9. If you created more than one Trading Account for us, each Trading account is processed completely independently. In this way, no credit on the Trading account (including funds placed for margin) Does not discharge from duties on any other Trading account. You are required make sure that each Trading Account has the required level of margin.

19. Payments and debits on the Trading Account.

19.1. After the completion of the Transaction in accordance with the provisions of this Agreements on applied share adjustments are subject to the following requirements:

(a) you must pay the Difference if the Transaction is:

(i) the sale, and the closing price of the Transaction is higher than the opening price;

(ii) purchase, and the closing price of the Transaction is lower than the opening price.

(b) you will be paid the difference if the Transaction is:

(i) the sale, and the closing price of the Transaction is lower than the opening price;

(ii) purchase, and the closing price of the Transaction is higher than the opening price

19.2. Unless otherwise agreed, all amounts that you owe pay under the terms of paragraph 19.1. the closing price of your Transaction, as determined by us, and closed transactions.

19.3. You hereby give us the right to automatically write off from your trading account amounts that you are obliged to pay under the terms of paragraph 19.1 After the Transaction is closed, as well as any other amounts that you must to us under this Agreement, without notice. Any interference or delay in the exercise of our rights under this item is not a waiver of our parties from their implementation.

19.4. After deducting the amounts that you owe us for real

Agreement, and the Support Margin required on your Trading Account in

in accordance with this Agreement in the part of open Transactions, all

the money that is credited to your trading account will be returned to you by request. In the absence of such a request, we will refund this money in accordance with paragraph 20 of this Customer Agreement.

19.5. You are required to pay all taxes and duties in respect of all transactions completed by you in the Trading platform. Only you must calculate and pay applicable taxes to you in the country of your residence, the resulting trading activities on the Trading Platform.

19.6. In spite of the foregoing, the Company will withhold these amounts from source from any payments to your address, if required by law or tax authorities.

19.7. In relation to transactions conducted on the Trading platform, there may be other costs, including taxes, which you must incur not through us and not because of our obligations to us. Do not belittle your sole responsibility for the payment of any taxes, you agree that, that we can withhold such a tax from your operations on the Trading platform, if required by law. You acknowledge that we have the right write off any tax expenses from your Trading Account and give us the right to debit your trading account of the relevant amounts for payment taxes. You will not bring any claims to us in connection with such write-offs. You agree that such charge-offs do not cancel our right Margin requirements under this Agreement.

19.8. You agree to cover all postal expenses in relation to this Agreement and any documentation that may be required. for the implementation of Transactions.

19.9. In accordance with the terms of this Agreement, the difference is the only payment you pay for using the platform. Nevertheless, we reserve the right to charge additional commissions and fees in the future, having previously notified you of this. Time from the Company may change the amount of commissions. With any changes the Company will send the Client, in advance of their entry into force, to the Client written notice with information about them. The effective date of the change the date specified by the Company in the notice to the Client will be considered.

19.10. If your country of residence enacts rules or laws, restricting the circulation of currency or requiring you to report receipt and transfer of this currency to the supervisory authority or any state body, you agree that you will comply with all requirements for and receive all required approvals and approvals arise as a result of your use of the Trading Platform and related with her transactions.

19.11. If you need to pay or receive any payment for we will notify you of this by the applicable norms

20. Input and withdrawal of funds.

20.1. The trading account is activated after the Client places the Initial Margins according to the type of the Client's account. Its size is set by the Company from time to time in its sole discretion.

20.2. The Client may place funds on the Trading Account at any time during the term of this Agreement. Funds are allocated by wire transfer or by any other means, acceptable for the company. 20.3. The Company has the right at any time to demand from the Client any documentation confirming the source of funds contributed to the Client score. The company has the right to reject the replenishment of the Customer, if it does not is fully satisfied with the lawfulness of the origin of the funds.

20.4. If the Customer contributes funds, the Company will record on the relevant The trading account is the appropriate amount, which it actually received, within one Business Day after clearing for bank account of the Company.

20.5. If the funds sent by the Client were not entered into the trading account for which they are intended, the Customer must notify The company and require it to make a bank investigation of payment. The client agrees that any costs for such an investigation may be are written off from its Trading Account or are directly paid to the bank that generates investigation. The client understands and agrees that in order to implement the Client must provide the Company with the required documents and certificates.

20.6. The withdrawal of the Client's funds is made by the Company upon receipt of a corresponding request from the Client, taking into account the method adopted by the Company.

20.7. After the Company receives instructions from the Client on withdrawal of funds from the Customer's account the Company will pay the appropriate amount within five (5) Business days subject to the following conditions: (a) the withdrawal instruction includes all necessary information in Personal zone;

(b) the instruction prescribes a transfer to the source account (whether bank account, payment system account, etc.), from which the funds originally entered the Trade Account, or, at the request of the Customer, on a bank account belonging to the Customer; (c) the target account for the transfer is owned by the Client;

(d) at the time of payment, the Customer's Balance exceeds the amount specified in instructions for withdrawal, including all fees for payment;

(e) in the implementation of the withdrawal of the Company, no Force Majeure circumstance;

(f) The customer must be fully verified in accordance with the instructions for Verification provided on the Website.

20.8. Parties understand and agree that the withdrawal is made only for the Client. The company will not withdraw funds any third party or anonymous account.

20.9. We deduce your funds in the way that we deem appropriate in its sole discretion. The Company reserves the right To refuse the Client in the withdrawal by a certain method, the Company has the right to propose an alternative method.

20.10. All payments and commissions for the transfer of third parties are paid Customer, and the Company writes off these amounts from the relevant trading account.

20.11. Commission for withdrawal may from time to time change in depending on the type of the Client's trading account. Relevant commissions are published on the Company's website.

20.12. Company mistakes in the withdrawal of funds are compensated to the Client. The parties understand that if the Client himself gave incorrect instructions for withdrawal, the company may not be able to correct the error and the Client may incur a loss.

20.13. We reserve the right to demand compensation from you in If we receive a refund from the issuer of any bank card or the operator of any payment method for any reason. We can recover such a refund by debiting funds from your Trading Account, with your future payments, your bank card and any other legal means. Any bank charges in connection with this also will be withheld from your trading account.

21. Rules for processing the Client's money.

21.1. The Company receives the received money of the Client immediately

to one or more separate accounts in reliable financial organizations (such as an intermediary broker, a bank, a market, a settlement agent, a clearing house or counterparty for OTC transactions). Means Customers are stored separately from the Company's own money and can be used in its business.

21.2. The company can store money of the Client and other clients on one account (omnibus account).

21.3. The Company will not report to the Customer for income or interest received at the expense of the Client's money (except for the income received in the auction on Transactions from its Trading Account [accounts] under this Agreement), and the client waives all rights to such interest.

21.4. The company can place the Client's money on one-day deposits with the right to save all interest.

21.5. The company can place the Client's money from a third party (financial institution, market, settlement agent, clearing house or counterparty for OTC transactions), which can provide collateral, lien or cancellation in relation to this money.

21.6. Customer's money can be stored on behalf of the Customer on the account intermediate broker, bank, market, settlement agent, clearing house or counterparty for off-exchange transactions located outside the European Economic Area.

21.7. The third party to which the Customer transfers money, can keep them on an omnibus account, on which it may not be possible to separate them from money Customer or this third party. In case of insolvency or other similar situation with respect to this third party, the Company may submit to it only an unsecured claim on behalf of the Client, and the Client will risk that the amount of funds received by the Company from a third party, will not be sufficient to satisfy the Client's claims against the this

22. Security right.

22.1. The company has the right to seize all funds that the Company, its Partners and representatives hold on behalf of the Client, for satisfaction of its obligations.

23. Inactive and sleeping accounts of Customers account. The company will not be liable for any losses as a result of this.

23.1. If the Trading account is inactive for thirty days or more, the company has the right to charge a maintenance fee of 2% of the invoice amount per day.

23.2. In the case of an inactive or sleeping account, the Company has the right cancel all unused ("active") bonuses.

24. Entry into force of the Agreement.

24.1. The Agreement shall enter into force upon receipt by the Customer of a notification, sent by the Company, in which the Client is informed that he / she has been accepted as a Client of the Company, or for him, a Trading Account is opened.

25. Addition of the Agreement.

25.1. The company can upgrade the client account, change the type Trading account, upgrade or replace the Platform, or improve Services provided to the Client, if there are reasonable grounds to believe that this will serve the interests of the Client and will not lead to an increase in his expenses.

25.2. The company may also change any terms of the any of the following:

(a) if the Company reasonably believes that:

- The change will make the terms of the Agreement more understandable;
- The change will not be unprofitable for the Client;

(b) in order to:

- The implementation of any service or opportunity provided by the Company To the Client;

Creating new services or opportunities; Replacing existing services or opportunities with new ones;

- The elimination of services or opportunities that have become obsolete, widely not used, not used by the Client for the previous year or became too expensive for the Company;

(c) to implement reasonable changes in the services provided

As a result of changes in:

- Banking, investment or financial systems;
- Technologies;
- Systems or the Platform used by the Company to implement your business or the provision of Services;

(d) at the request of the authority as a result of the change (including expected) in Applicable Norms;

(e) if the Company deems that any of the terms of the Agreement is incompatible with applicable standards. In this case, it will not be guided by this condition, but will consider that it really reflects the relevant Applicable Standard, and then changes the Agreement in such a way that it more fully reflects Applicable norms.

25.3. During the entire time that the Customer can terminate the Agreement without loss to itself, the Company has the right to change any of its provisions under the availability of any of the serious reasons listed in paragraph 25.2.

25.4. With any change described in paragraphs 25.2 and 25.3, the Company will notify the Client about this at least for 5 Working days, if the Client - an individual, and for three Business days, if legal. However, the Client recognizes that a change in order to reflect the applicable rules may enter into force immediately.

25.5. With any change described in paragraphs (a), (d) and (e) of the paragraph 25.2, the Company sends the Written Notice in combination with information on The Company's website. For any other change in the Customer Agreement, if The Company decides to provide Written Notice on the Website, it also will do it in some other way.

25.6. If the Company sends a written notice of changes according to paragraphs 25.2 and 25.3, it informs the Client of the date of its entry into force. In this case, it is considered that the Customer accepted the change on this date. Otherwise the client must inform the Company that he wishes to terminate agreement and not accept the change. As a result of termination of the Agreement In this case, the Customer is not obliged to pay any fees, not counting the current costs and payment of Services provided prior to termination.

25.7. The Company has the right to review its payments, fees, commissions, fees, financial receipts, swaps, trading conditions, rules performance, rollover policy and trading schedule on the Website and (or) the Platform of the Company. Such changes are reflected on the Website and (or) Platform, and the Customer must regularly check for updates. In the absence of the Fors- Majeure, the Company will notify

the Client through its Web site as minimum for 5 Business Days, if the Customer is an individual, and three Business Days, if it is legal. It is assumed that the Customer has accepted the change on this date. Otherwise, the Client must inform the Company of what he or she wants terminate the Agreement and not accept the change. As a result of termination In this case, the Client is not obliged to pay any fees, not considering current expenses and payment for Services provided prior to termination.

43.3. Definition of a trading bonus: A trading bonus is the amount of funds The company placed on your trading account in order to strengthen the account. On bonus means you have the possibility of a crypto currency. Bonus can be is provided both single-time and multiple-time, depending on the individual agreements with the client and shares held by the Company.

43.4. The profit received on the transactions opened on bonus means, is the real money of the client, subject to the fulfillment of the trading volume. As part of the anti-money-laundering policy through exchange trade set a minimum trading volume. The trading volume is the total amount of the value of all open trades (regardless of whether there was a profit on these transactions).

43.5. Bonus calculation requires the required volume bidding. Accepting bonuses, the Customer agrees to the terms of the execution necessary trade turnover.

43.6. Bonus funds are the company's own funds, and can not be concluded. The profit received on transactions. open to bonuses, is the real money of the client and provided the necessary volume of trading, is subject to withdrawal together with the money customer on their own account.

43.7. After the bonus has been credited to the trading account, it can not be changed or deleted by the customer independently.

43.8. The company reserves the right to cancel or change the bonus to the moment of its transfer to the Client's trading account.

43.9. The company is not responsible for the loss of the bonus by the client, with wrong trade.

43.10. For an inactive trading account, within 30 calendar days from of the last closed transaction, a commission may be charged from the client for servicing the trading account in the amount of 2% of the invoice amount per day.

Appendix 1: TERMS OF TRADE.

1. Scope

1.1. This Appendix 1 is applicable to Clients trading crypto currency.

2. Opening and closing Orders / Transactions

2.1. To open a Transaction on the Crypto-currency on the Trading Platform, you should open a Buy or Sell at the price quoted on the Trading platform at the time of the Transaction. To close the Transaction, you must offer either a sale (in the case of a Purchase) or a purchase (in the event of a Sale) The base asset of an open Transaction at the price given in the Trading platform at the time of the closing offer.

2.2. The trading platform provides Purchase and Closing prices for of each Underlying asset traded on the Trading Platform. You acknowledge that when opening a Purchase or closing a Sale, this can only be done at a price purchase of this Base asset listed on the Trading Platform. you also Recognize that when you open a Sales or close a Purchase, you can do this only at the purchase price of this Base Asset, platform.

2.3. On the Trading Platform, you can make an offer to open Transactions at the best price possible ("Market Order") at the moment Opening of the Transaction, unless you have specified a certain price of the offer opening of the Transaction ("Restrictive Order"). In relation to "Market order ", the price at which the Transaction ends is not the one that was shown when placing an order.

You agree that your offer the opening of a Market Order can be made at a lower or higher price than the one you specified in the Market Order, within the range that periodically indicated in the Trading

platform. If you decide to open a market order, your offer will be accepted at the best price possible, available on the Trading platform.

2.4. With respect to the Restricted Order, the price at which the transaction ends The transaction may not be the one that was shown when placing the order. You Agree that your offer to open a Restricted Order can be taken at a lower (in the case of a purchase) or higher (in case of sale) price than the one you specified in your Restricted Order, in range, which is periodically indicated in the Trading Platform. If you decide to open a Market Order, your offer may be accepted at the price you indicated in your offer. Anytime before accepting the Restricted Order, you can cancel it without prejudice to the yourself. If you decide to open a Restricted Order, your offer will be accepted at the best price possible, available on the Trading Platform.

2.5. Orders can be placed and (if possible) changed during Exchange sessions for each currency type and crypto currency according to the data, published by the Company on the Website with periodic changes. Client agrees that the Order for the opening of the position in case of their acceptance by the Company outside the Exchange session may not be fulfilled if the market is not traded at that price, which was at the beginning of the Exchange session.

2.6. Unfilled Pending Orders for non-execution remain in the force until the next trading session (if applicable). At closing of the auction all open positions in the relevant Base market will be transferred to the next Business Day according to the Company's right to close an open urgent position.

2.7. Market orders that are not executed due to insufficient volume for their fill, lose force and will be canceled.

2.8. The type and validity of the Order shall be indicated by the Client. If time and The validity of the Order is not specified, it operates perpetually. However, the Company can remove one or more pending orders if the Index of Trading account is zero.

2.9. Before the execution of the Order can be removed by the Client.

2.10. Loss and profit fixing orders may change, While they are far from a certain level (depending on the symbol trades).

2.11. The customer can change the expiration date of the Deferred Orders or delete or modify the Pending Order before it is executed. For change the expiration date The customer must cancel the Order and put new.

2.12. The orders for crypto currency are fulfilled as follows: orders for profit taking are executed at the specified prices; orders to limit losses are executed at the prices of the first market; orders to limit losses in blocked positions are executed at the prices of the first market;

Limited orders are executed at specified prices; Orders to limit losses for purchase and sale for the opening positions are executed at the prices of the first market;

2.13. The client acknowledges and agrees that due to market volatility and not factors dependent on the Company, the Company can not guarantee that the Order will be executed at the level specified in the Client's Order. For example, an Order can To be closed at a worse price than originally set for him Customer. In this case, the Company will close the Transaction for the next best price. For example, in the case of Closing at a loss on the purchase price of the Instrument Such an Order may sharply exceed the price of Closing at a loss, even without having reached its preliminarily. At Sale at a loss, the price of the Instrument of such an Order can suddenly become lower than the closing price, even without having reached it in advance.

2.14. Speaking of the Closing with a profit, if the price of the Underlying Asset is moving in a favorable party for the Client (for example, the price is reduced when the Client buys, or rises when it sells), the Customer agrees that the Company can transfer the price improvement to the Customer.

2.15. If the Company can not process the Order because of the price, size or for some other reason, the Company will not re-exhibit for the Client quotation (with a price that it considers acceptable under condition of availability price requested by the Customer). The order will be rejected and the Client will need to place another order.

3. Limitations and limits.

3.1. We may, in our sole discretion, the closing price for the Transaction with the help of "Closing at a loss" and "Close with a profit", according to the terms of the Client Agreements and other conditions and provisions, which we occasionally introduce.

3.2. After you and you accept the Order, you authorize us for closing Transactions at the price of "Closing at a loss" or "Closing with profit", according to the Order, without additional instructions from you and notifications for you. At our sole discretion, we can close Transaction, when the price quoted on the Trading Platform is equal to or exceed the price accepted by us for this Order. You acknowledge that we are not are required to close any Transaction if you do not comply with the provisions of the paragraph 15.14.

3.3. We can, in our sole discretion, authorize you request the opening or closing of the Transaction, including for Orders "Closing in loss "or" Close with a profit ", within a certain period of time, defined by you. If we have accepted such a request, we can, on our own discretion to close the Transaction in this time period. You acknowledge and agree that we are not required to close such Transaction outside of the agreed period and if any other restrictions are not respected Transactions.

3.4. We can, in our sole discretion, accept the offer on the placement of a trailing stop in relation to the "Closing at a loss." You recognize that the initial price set in the Closing at a loss may To be changed when the market moves in your favor on the Trading Platform. Till slip in the sentence "Closing with a loss" continues, you agree, that each change in the market is at least one-hundredth of a percentage point The trading platform is the "base point") to the side favorable for you is a new proposal on your part to raise the level slip "Closing at a loss" by one-hundredth of a percentage point. Changes in the Base point will be rounded to the nearest absolute value base currency of your country of origin, according to the Trade platform.

3.5. You acknowledge and agree that due to market volatility and not We can not guarantee that the Order will be is executed at the price indicated in it. For example, an Order may be closed by the worst price, than specified by you in this Order. In this case, we close Transaction at the next best price. For example, in the case of Closing at a loss when Purchasing the price of the Underlying Asset of such an Order may fall sharply lower closing prices at a loss, even without having reached it in advance. At Sale The price of the Underlying Asset of such an Order may sharply exceed the price of Closing with loss, even without having reached it in advance.

3.6. Speaking of Closing at a loss, if the price of the Underlying Asset moves in favorable for you side (for example, the price decreases when you buy, or increases when you sell), you agree that we can (but do not have to) transfer the price improvement to you. For example, when Purchasing the price of the Underlying Asset Such an Order may sharply exceed the price of Closing at a loss, even without having reached its preliminarily. At the Sale price of the Base asset of such Order can sharply to fall below the closing price at a loss, even without having reached it preliminary.

3.7. The Customer agrees that the Restriction Loss Order is not required. limits the loss to the desired value, because due to market conditions It may not be possible to execute such an Order at a given price, and the Company does not bears no responsibility for this.

3.8. The company may, in its sole discretion, accept the Client's offer to place the Guaranteed Stop Order on the exact price determined by the Customer. Guaranteed stop orders are only available for some of the underlying assets, as indicated on the details tab for this the underlying asset.

If the Company accepts a Guaranteed Stop for a new To the warrant, it guarantees that when the quoted bid price or offers will exceed or exceed the closing price at the loss set by the Client, the Company will close the Client's open position at exactly the same price as the Customer set in the Guaranteed Stop Order. An open position can be closed in agreement with the Customer Agreements until the price of the Order is reached Guaranteed stop.

3.9. The Guaranteed Stop Order is subject to the following additional conditions:

(a) A Guaranteed Stop Order can only be requested for a new Order and is only available on a closed-loss basis;

(b) A Guaranteed Stop Order may be activated or edited only in the course of trading and if available on the Trading Platform the relevant Underlying Asset;

(c) If the Guaranteed Stop Order is accepted by the Company, it is no longer can be deleted, however, price change is acceptable;

(d) The Guaranteed Stop Order must be placed on minimum distance (determined by the company) far from the current price Base asset according to the quotation of the Company;

(e) The Company warrants that when placing an Order of Guaranteed stop sale price and spread adjusted for additional payment. The adjusted spread is displayed when placing an Order Guaranteed stop on the Base asset tab for each Base asset.

3.10. The client agrees that the trading operations using additional functions of the Client's trading terminal, such as The trailing stop and the Expert Advisor are carried out in full The Client's responsibility, as it depends directly on his trading terminal, and the Company does not bear any responsibility in connection with this.

4. Premium (or swaps).

4.1. Any open Transaction that you hold at the end of the trade day for the Underlying Asset or carry over through the weekend, when the relevant The underlying market is closed, will be automatically transferred to the next worker day to prevent automatic shutdown and actual delivery Transactions. You acknowledge that when transferring such Transactions to the next The working day on your account can be accrued or written off. relation to such Transaction ("Rolling"). The amount of the Premium is constant and is expressed as a percentage of the price of the position, it is based on a number of factors: whether the transaction is a purchase or a sale, interest rates, differentials of Basic assets, daily price fluctuations and other economic and market factors. Premium for each Underlying Asset is shown on the link "details" for each Underlying Trade asset platform.

4.2. Deciding to open a Transaction for a certain The underlying asset, you acknowledge that you know about the Premium.

4.3. You hereby authorize us to charge or write off Premium in your Trading account for all open Transactions with accumulated A premium in accordance with the appropriate rate every day during accruals, as indicated on the Trading Platform for each Base asset.

5. Term of Transactions.

5.1. We can, at our absolute discretion Set the Date and time of the end of the term for certain Tools.
5.2. In the event that we have set a due date for of a certain Underlying Asset, it will be reflected in the Trading Platform for reference "details" for each Base asset. You must follow Date and time of expiration.

5.3. If you have not closed an open Transaction on the Underlying Asset, with the Expiration Date, before this date, the Transaction will be automatically is closed on this date. Transaction will be closed at the price of the last quote on Trading platform just before the corresponding Date and time end of term.

6. Spreads.

6.1. All the crypto-currencies available from the Company have spreads that are displayed on the Trading Platform and / or the Website. The company has the right periodically change the spreads at their own discretion. Such changes will be reflected on the Trading Platform and / or the Website, and the Client must regularly check for updates.

7. Customer accounts without Swaps (Islamic).

7.1. When trading crypto-loans, the Company may provide Accounts without Swaps (usually for clients professing Islam). They are regulated internal rules of the Company and additionally agreed by the parties.

7.2. Customers who wish to switch from a normal Trading Account to A trading account without Swaps must first close all of its open positions.

7.3. To client accounts without swaps, all the provisions of this Agreements, with the exception of Swaps.
